OUR COLLEGE

St. Xavier's College of Education is one of the three educational institutions owned by the Society of St. Francis Xavier, a body registered under the Societies Registration Act, (S.No.3 of 1920-21) having its office at Palayamkottai. The College administered by Jesuits (Members of the Society of Jesus) was started in 1950 as St. Xavier's Teachers' Training College at St. Xavier's (Autonomous) College Campus by Rev. Fr. Bonhoure, S.J. as its first Principal. The college has gradually established its mark of excellence on the educational map of India by hard and strenuous efforts of Rev. Fathers, Rev. Brothers and lay collaborators.

THE COAT OF ARMS

The three branches of Palm leaves on the right side of the emblem signify that our institution is situated in Tirunelveli District. The ear of rice corn arched on the left side of the emblem represents Maruthanilam. The local symbol connected by a cross highlights the fact that ours is a Christian Institution. At the middle and bottom of the cross, the college motto '**Veritate Lumen et Vita**' (Light and Life through Truth) is inscribed.

The shield at the front of the cross, has two divisions. On the right IHS (Greek word for 'Jesus'), the Jesuit motto, is inscribed. The squares on the left indicate the spiritual, moral, emotional and intellectual development that education fosters in a person. The emblem thus means that St. Xavier's College of Education is a Jesuit institution of higher learning, established in the Tirunelveli District for the all round development of its pupils.

Madurai Jesuit Province

St. Xavier's College of Education is run by the Society of Jesus. The Society of Jesus (the Jesuits) is a world wide organisation of religious men, numbering about 14,400 who work in 112 countries, of whom over 3747 are working in the 16 provinces of India.

In Tamil Nadu, at Madurai in 1609, the Portugal Jesuits started their mission under the leadership of Robert De Nobili. But unfortunately in 1773, the Society of Jesus was suppressed due to some political interferences and later restored in 1814. After the restoration, the new Madurai Mission was nurtured by French Jesuits. It was on 4th February 1929, the anniversary of the Martyrdom of St. John De Britto, that the Madurai Mission was elevated to the status of Vice-Province, dependent on the Toulouse Province. A few years later, it was raised to an independent province on 15th August 1952 with Fr. Humbert Pinto (1899-1981) as the Acting Provincial. At the time of transfer of power by the French to Indians, there were 400 Jesuits of whom 300 were Indians.

Today in Madurai and Chennai Provinces, there are more than 500 Jesuits, spilled all over Tamil Nadu, in Nine University Colleges, Nine Higher Secondary Schools, Two Technical Institutes, Three Community Colleges, Five Social Action Centers and other sectors like Communication, Formation, Pastoral, Spiritual and Inter-Faith Dialogue.

Jesuit Education - New Orientations

Jesuit Education in the Madurai and Chennai Provinces (Tamil Nadu) today draws its inspiration from the two epoch-making statements, viz, the vision Statement and Preamble to Jesuit Higher Education, that originated in the Madurai Province Meet of 1985.

Excerpts from the Vision Statement

"We understand that the contemporary equivalent of the mission of salvation is the integral liberation of man which is crystalized for us today in an ardent desire to work ***towards liberation together with the poor.***

All of us do not have equal talent. But, all of us have an equal opportunity to 9
develop our talents. - A.P.J. Abdul Kalam

The preferential option for the poor means that we cast our lot with them through concerted social action. Our love is, indeed for all human beings, but it assumes different forms. We love the oppressed by espousing their cause and we love the oppressor by emancipating him from his greed and domination which dehumanize him".

Excerpts from the Preamble to Higher Education 1985

"Our educational institutions will shape our students into agents of social change, preparing them for concerted social action and thus paving the way to mass movements which will bring about the desired liberation." They will in their admission policies actualize our preferential option for the poor by "giving a privileged place to the weak who are poor economically and academically and form them as men for others". Stamped with the Ignatian hallmark of excellence and relevance, "they will challenge the existing educational system into reorienting it in order to respond to the crying needs of today's society. They will also promote research in the branches of arts, sciences and relevant pedagogy which would help to build a just social order".

Part of Fr General's letter on Higher Education: July 13, 2019.

"In an age of so many different ideologies, our commitment to depth and to the intellectual dimension of all our ministries remains more important than ever. Our educational ministries should challenge ideologies of all kinds, shining the light of truth into areas of darkness, freeing people held captive by falsehood and distortion. I encourage our Higher Education institutes and Jesuits who work in this area to pay particular attention to this dimension. A further challenge in our higher education is the Jesuit identity of our institutions. To develop this, a new association of universities entrusted to the Society was formed last year (IAJU - International Association of Jesuit Universities); it is working well even if it is in its early stages. Its six priorities are:

To bring higher education to the marginalized and the disadvantaged, to form civic and political leaders, to work for integrated economic and environmental justice, to develop the Ignatian character of our Institutions through the formation of lay and Jesuit leadership, to promote interfaith dialogue and collaboration and address the challenge of secularism and materialism, to promote the study and practice of peace and reconciliation.

I encourage you to support this association in whatever ways you can."

(iii). Social Project (1 Credit)

The main aim of education is to help the students become aware of their own personality and their roles in the society. Quality education creates the base for better society. Through education the students understand the nature, diversity and functioning of society. The teachers help them discover the ways and means to find solutions for the social problems. Unfortunately, they fail to apply their skills and knowledge in analyzing the social problems while they are in the service; hence, there is a widening of the gap between the students and the society. In order to make the education meaningful, it is necessary to create interaction between the students and the society. Keeping this in mind the college has introduced a social project for second year B.Ed. students.

Objectives

The objectives of the social project are as follows:

- To make the students get direct (real life) experience with the society.

- The students are divided into groups. Each group consists of 10 students.
- The tools for the social project are constructed by the B.Ed. students and validated by the faculty members of our college.

- After validating the tools, data collection is done by the groups. A separate day is allotted for data collection and that day is called '**Social Project Day**'. The students visit in and around Tirunelveli area under the guidance of staff-in charge to collect data from the target group. The students are paid for their conveyance and refreshment by the college.

iv) National Service Scheme (NSS)

National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service. AIMS ACCORDING TO SECONDARY EDUCATION COMMISSION (1954)

"The educational system must make its contribution to the development of habits, aptitudes and qualities of character which will enable its citizens to bear the responsibilities of democratic citizenship and to counteract all those fissiparous tendencies which hinder the emergence of a broad national and secular outlook".

TOWARDS COMMUNION WITH MOTHER EARTH IN HUMAN SOLIDARITY

(Excerpts from THE STATEMENT OF THE JESUIT MADURAI PROVINCE ASSEMBLY HELD AT ST. JOSEPH'S COLLEGE, TIRUCHIRAPALLI ON 27th-28th DECEMBER 2008)

We stand at a critical moment of Earth's history and we perceive more clearly than ever before that Mother Earth is groaning under the impact of environmental degradation. We also note with grave concern that Mother India is being subjected to the onslaught of communalism.

The cry from the wounded Mother Earth caused by the unprecedented environmental destruction through depletion of natural resources, desertification, global warming, pollution and widespread displacement of people caused by ill-conceived developmental initiatives is echoed across the universe (GC35 D3/33). In fact, the very survival of the earth community is being endangered. This calls for urgent intervention with effective advocacy to restore the environment as the sacramental site of salvation.

In today's global context of growing fundamentalist ideologies based on religion, the secular and pluralistic image of our own country is being tarnished with ever increasing virulence.

We need to counter this. We should not be mute and passive spectators to the violation of human rights in our country but act as a protest force raising our voices unitedly against such inhuman acts. In this context, we pledge to promote the culture of dialogue and reconciliation across various sections of our country appreciating pluralism. We hope thus to build up a harmonious and equitable society which upholds the inalienable human rights and dignity of all.

We acknowledge humbly that our response so far to the ecological disaster and the onslaught of fundamentalism has been minimal and uncoordinated. We are grateful to all people who, with their enduring search for human dignity, permit us to accompany them in this historical striving for eco-restoration and human solidarity.

O God, Who are the Truth and the Origin of all knowledge, bless our studies which we consecrate to you. Enlighten our minds, strengthen our memories and direct our will towards what is right. Grant us to seek truth always and make us truly wise.

PRAYER AFTER THE CLASS

O God, infinite wisdom and the Source of all knowledge, grant that we may remember what we have learnt. We offer you our work and endeavours, our failures and success. Forgive us, our shortcomings and give us the courage to follow always the path of truth.

All : Our Father in heaven
 Holy be Your name,
 Your kingdom come,
 Your will be done
 on earth as in heaven.
 Give us today our daily bread,

 For thy kingdom, the power
 and the glory are yours,
 now and for ever.
