

St. Xavier's College of Education (Autonomous)

Classrooms and Seminar Hall(s) with ICT-enabled facilities such as Smart Classroom, LMS and Sound System

Integration of technology in Education is preferred by our college to enhance the student learning experience by utilizing different types of technology in the classroom. To support teaching and learning, all the classrooms infuse digital learning tools such as computers, LCD Projectors, multimedia system with internet and Wi-Fi connection. Well furnished classrooms accelerate the rate of learning and build 21st century techno-pedagogy skills. Our college and technology are blending in educational system with ICT facilities. The use of technological devices in the classroom is explored to create meaningful learning experiences for students. The staff and students avail the ICT facilities to enhance their teaching and learning.

There are 7 ICT enabled classrooms for B.Ed namely English Education, Mathematics Education, Physical Science Education, Biological Science Education, History Education, Computer Science Education and Tamil Education. Well furnished and equipped 2 classrooms are for M.Ed and 1 for M.Phil Education. Moreover our institution has air-conditioned seminar hall, conference hall and multipurpose hall with all the technological devices. They serve the purpose accordingly. Library and language laboratory are well furnished and equipped with ICT facilities in order to facilitate the students learning in a conducive environment. Our college is under the surveillance of CCTV cameras to ensure safety and security. All the resources are well utilized by the staff and students to make teaching and learning more meaningful.
