Exam Committee Meeting through Google Meet on 08.09.2020 at 10am

Minutes

Agenda

1. I CIA
2. Semester Exam for the outgoing: Time Table & Mode of Exam
3. Any Other

The meeting began with a prayer. The meeting was convened by the COE through Google Meet. All the members were present. After welcoming the members of the Exam Committee, Fr. Principal read out the agenda and he initiated the discussion on the following:

- **Conduct of I CIA:** Fr. Principal reminded the staff about the decision made in the staff meeting with respect to the conduct of the first CIA via online and the probable dates. He suggested that the first CIA could be conducted from 5th October 2020 both in the morning and in the afternoon. The duration of the test would be one hour. The concerned staff would set the question paper and conduct it through online. The question paper would consist of only multiple choice questions. The members agreed to the proposal. It is decided to have the first CIA from 5th October onwards for one hour in the morning as well as in the afternoon. The concerned staff would be solely responsible for conducting the I CIA.
- **Conduct of Semester Exam for the outgoing students of B.Ed & M.Ed:** The COE briefed the members about the meeting with the Principal with respect to the time-table for the forthcoming semester exam for the outgoing students and mode of exam. Then the COE suggested conducting the final semester exam as per the UGC & State Govt. and University guidelines from September 21st to 28th, 2020. Having made clarification regarding the feasibility, it was finally decided to conduct the exam from 21st to 28th September 2020 both for B.Ed & M.Ed outgoing students.
- **Mode of Semester Exam:** Once the dates were fixed for the semester exam, then the members discussed the mode of writing exam that is online or offline. The members discussed the pros and cons of online and offline exams in detail. It was then decided to conduct the exam for the B.Ed as well as for the M.Ed students through offline mode as most of the students were from Tirunelveli, Kanyakumari and Thoothukudi districts. It was also decided to conduct online exams for those who would not be able to come to college and write exams. It was proposed that the students should scan their answer script and send it to the email id mentioned in the email sent to them at once. The members welcomed the proposal. Moreover the question paper would be sent to them half an hour prior to the actual exam. If the students failed to send their answer script immediately through email, the question paper would not be sent to them for the following exam. This would be notified to the students before the commencement of exams on 21st Sep.
- **Conduct of Exam whether online or offline:** One of the members brought to the attention of the COE and Principal that there were some students who had not paid the exam fees and submitted the application form for exams. In this regard, Mr. James of COE would take necessary steps to remind those students about the payment of fees and

submission of application forms at the earliest. In the event of failure to make payment for exam and submission of application form, the students would not be allowed to write exams. The hall ticket would not be issued or sent to their email. Therefore, it is the responsibility of the COE office to do the needful in this regard.

- It was decided to put up the time-table and all the relevant information regarding semester examinations and guidelines for online exams in the college website as well as in the college notice board.
- **M.Ed viva-voce:** It was decided that the last date for submission of their research paper would be 5th October and the viva-voce for M.Ed students would be conducted on 9th October by the concerned professor at 10.00am.
- **Publication of Internal Marks:** It was decided to publish the internal marks in the college website and to display the same in the college notice board.
- Before issuing the hall ticket, the COE office was advised to make sure with the help of the librarian if students returned the library books borrowed for study purpose to the library.
- The COE would draft the guidelines for online and offline exams and send to the Principal for his approval.
- A new email id could be created for online exam purpose - sxceonlineexam@gmail.com
- External Evaluation of the exam would be done in the second week of October 2020.

Fr.Principal thanked all the members. The meeting came to an end at 10.45am.
