MINUTES OF THE EXAMINATION CUM AWARDS COMMITTEE MEETING

30.4.18

The examination cum awards committee meeting began with the prayer by Fr Principal, at his office on 30th April 2018 at 3.00 pm. All the members of the ECA committee except Mr. John Lawrence were present. After welcoming the members present the controller of examinations read out the minutes of the previous meeting. The members passed the minutes. The controller of the examinations Fr Amaladoss Xavier, SJ presented the II and IV semester results. The reappearing result was presented first followed by second and fourth semester results. One student who reappeared for Mathematics Education- II and another student who reappeared for Philosophical Foundations of Education and Special English Education passed in their respective papers.

M.Phil (Part-time) and M.Ed. first and second years have passed in all the papers. At the B.Ed. level one second year student has failed in IV semester optional -I (BPP4) and all the first year students have passed in the II semester. After a brief discussion the results were passed by the committee.

Fr Amaladoss Xavier SJ, the controller of the examinations shared with the members about the dissatisfaction of the examiners about the course work (Comprehensive paper) by second year students. Most of them were not serious about the viva-voce examinations. Hence it was recommended to find some meaningful method for the course work. On the whole the evaluators were happy. He also shared with the group that on 2nd and 3rd May, the students could collect their consolidated and semester mark sheets.

The members expressed their dissatisfaction about the continuous absence of Mr John Lawrence even after the reminder. The members recommended Fr Principal to take appropriate action.

Then the meeting came to an end.
