BEST PRACTICES IN OUR COLLEGE LIBRARY

The following are list of the best practices in our library.

- The library has a very large information board. It includes all the updated information like resources and services available in the library.
- The library is fully computerized by Rovam LMS software and has two systems for accessing the online public access catalogue (OPAC) for students.
- Every month the librarian displays the library usage statistics on the library notice board. The statistics includes number of students visited, number of staff members visited, number of new books and periodicals added, number of reference books, dissertations, back volumes of journals referred, number of students using the digital library, number of outside scholars visited, number of Xerox copies and printouts taken, etc.
- Organized library orientation programme for the fresher's on starting of the every academic year. The programme focussing the reading habits of students and explain the resources available, services available and how to make use of the library.
- Organized book exhibition both to the staff and students of the college for promoting the reading habits. The staff members also recommend the books to the library through this exhibition.
- Every year, after the accessing and technical processing of the books, the new arrivals displayed on the library table for students and staff members.
- The Principal, Library Director and the librarian select the best library users in the academic year and honour them. Four prizes are awarded one for a B.Ed First Year student, B.Ed 2nd Year student, PG Student and staff member from the college.
- Every year, our library organizes the World Books Day on April 23rd we conduct the essay competitions and prizes are distributed on the celebration of World Books Day.
- The library has a separate e-Resources section. It has seven computers and two kindle e-Readers for reading the e-books in the library. The e-Readers have TET examination materials and English Grammar, Vocabulary and proverbs.
- Separate Wi-Fi connection in the library for accessing and downloading the electronic resources regularly.
- Library and Information Science Management is one of the Elective Paper
- One credit (Use of Learning Resources – As per NCTE Curriculum) allotted for Library Usage in 4th Semester (2nd Year Students). Credit will be given through library visit, books lending and get one book review.
