**A REPORT ON THE BLOOD IDENTIFICATION CAMP OF THE B.Ed.
STUDENTS (2016-2017)**

The main objectives of the Blood Group Identification Camp were, i) to help the student-teachers to find their blood group, ii) to prepare the list of students with different groups of blood, iii) to provide opportunity to help the needy by donating blood, iv) to inculcate the qualities of good and responsible citizens and v) to motivate the student-teachers to donate blood and other organs.

The programme 'Blood Identification Camp' was organized by our college Youth Red Cross (YRC) in collaboration with the Judge Joseph Clinical Lab, St. Xavier's College (Autonomous), Palayamkottai on 20th September 2016. The programme started at 1.45 p.m. with the prayer song led by the college choir. Selvi.M. Venkateshwariled the programme by her tremendous job of master of ceremony in a fitting manner. Selvi.J. Jebastywelcomed the gathering. Dr. P. Ayyanar, Governing Council Member of Alumni Association, Mr.G. Muthukrishnan, Rtd.Senior State Bank Manager and Secretary, Judge Joseph Clinical Lab, St. Xavier's College (Autonomous), Palayamkottai, Rev. Dr. D. Thomas Alexander, S.J., Principal and Dr. S. Arockiasamy, YRC Co-ordinator, St. Xavier's College of Education (Autonomous), Palayamkottai graced the occasion with their presence.

Rev.Dr.D.Thomas Alexander, S.J. Principal of our college, while thanking the official of judge joseph clinical lab. He emphasized that the consciousness of health is the need of the hour and that it gives us a leap forward. He asked the students to get up in the morning with determination and with positive thinking so that we could give joy to the others.

Dr. P. Ayyanar, delivered the chief guest address. He gave a brief introduction about the Judge Joseph Clinical Lab and spoke about the importance of blood donation. He enumerated the different kinds of blood groups. While underlining the importance of knowing one's blood group, he said that it has two fold importance; one, when you know your blood group you can get blood when you are in need; two, you can donate blood as and when it is needed. His speech was indeed a source of inspiration for the student-teachers.

Mr. G. Muthukrishnan advised every one of us to take care of our health and presented health tips to have sound body and mind to be the best teachers and to nurture the future generation. It was really a source of encouragement for the student-teachers.

Selvan.V. NambiPerumal proposed the vote of thanks. Dr. S. Arockiasamy, the co-ordinator of YRC had meticulously arranged all the event of the day and made sure that it was a great success. The inaugural programme came to an end at 2.45p.m.

Then Dr. P. Ayyanar, Medical Consultant, Dr. S. Aarthi, Medical Consultant, Mrs. U. Indu, Ms. Abirami and Ms. Sundari, Lab Technicians of Judge Joseph Clinical Lab, Palayamkottai conducted the Blood Identification Camp. They collected the Blood samples from the B.Ed. students and identified their Blood groups, Blood Pressure, Weight and the result was reported to the students immediately. The whole programme came to an end at 5.00 p.m.
