Visit to Language Lab- 04th January 2019

Language Lab software is a classroom based solution which is installed on the computer in classroom and the content can be accessible in the respective classroom system. English Language becomes the default option for communication as it is spoken and understood across the global. St. Xavier's College of Education, Palayamkottai has a well equipped language lab which apples the neighboring institution. This lab was visited by two staff members of SCAD College of Education, Cheranmahadevi, Tirunelveli. They observed and learnt the procedures and functioning the English language lab on 04th February 2019. Hope this visit was helpful to standardize their existing language lab.
