### REPORT ON VISIT TO HIGHER SECONDARY SCHOOL FOR THE BLIND 7<sup>th</sup> February 2020

Inclusion is not an experiment to be tested but a value to be followed. All the children whether they are disabled or not have the right to education as they are the future citizens of the country. To broaden the mental horizon of our trainee teachers towards these challenging special sector of the society, St.Xavier's College of Education, Palayamkottai organized a visit to The Higher Secondary School for the Blind, Palayamkottai on 7<sup>th</sup> February 2020. This visit was aimed at sensitizing the students towards the visually impaired section of society.

#### Details about the school

This school for the visually impaired children was started by a missionary Mrs Askwith in the year 1888. It is located in Palayamkottai and managed by Diocese of CSI Tirunelveli.

#### Participation by our students:

The headmaster of the school gave first hand information to the student teachers regarding the various facilities and infrastructure of the school. They were also exposed to different methodology of teaching to be followed for the students using Braille texts. They checked the learning materials available and the unique modes of teaching used for the visually challenged. The visually impaired students were completely focused on their respective tasks and felt overwhelmed by the presence of our students asking them their queries. The student teachers had a meaningful experience during this visit. Our students left the place with a promise that they will keep revisiting the place and try to make a difference in the lives of the visually impaired. Dr. Y. Daniel and Dr. R. Sathesh Franklin were the coordinators of this programme.
