Teachers' Day Celebration in St. Ignatius College of Education

“Teaching is the one profession that creates all other professions”, is an old saying which is right and relevant. The teachers are great people who find joy in the growth and development of their students. There are thousands of teachers who inspire the students. It is they who instill the motivation in the students to become great people and achieve in various fields. They identify each person's dormant talents and encourage the students to come up with flying colours.

We, the students of St. Xavier's College of Education, went to St. Ignatius College of Education to celebrate Teacher's Day on 05 September, 2018. The Staff and the students of St. Ignatius College of Education welcomed us warmly with placards having the quotes on teachers. The programme started around 02.30 pm in the auditorium. **Dr. Rajab Fathima, Principal of Annai Hajira Women's College, Malapalayam** was invited as the chief guest. Along with her, Rev. Dr. Magdalene Teresa, Secretary, Rev. Dr. Nirmala Devi, the Principal of St. Ignatius College of Education and Rev. Dr. G. Pushparaj SJ, Secretary and Rev. Dr. Thomas Alexander SJ, Principal of St. Xavier's College of Education also shared the dais.

The chief guests and the honorary guests emphasized on the importance and role of teachers in the present era and the changes they can make among the students. They also shared that being an effective teacher involves our commitment, hard work and sacrifice. If we are ready to take up all these, then we will stand out among all other teachers.

It was a golden opportunity for both the students of St. Ignatius College of Education and St. Xavier's College of Education to showcase our talents. The programmes were well-balanced in such a way that we had cultural events of dance, drama, singing, speeches, mime and formal speeches by the dignitaries. It all had some relevant themes according to the need of the hour. The programs motivated us as well as the challenges that we have to deal with. It was a good platform for the teacher trainees to come to know and balance them in our lives.

It was a meaningful celebration honouring the teachers as well as to get ready to be part of this world of teachers. We really enjoyed the programme and learnt a lot. We, the students community would like to thank the staff and the students of St. Ignatius College of Education for their hospitality. We also would like to thank Rev. Dr. Principal for having arranged the programme.

REPORT

AWARENESS RALLY ON 'NO' TO PLASTICS AND 'YES' TO HELMET

Rationale

The modern age public, by and large, has been much affected physically and mentally, owing to the tech-entailed-and-driven-waste hazards. The much-used and inevitable usage of plastic by the common and the commercial sectors have posed a wheel of reeling problems when the question arises on how to dispose them, without causing any damage to the green earth. Devoid of arriving at a ready-to-use solution on the use of plastic, it becomes imperative that saying 'No' to plastics is the only handy solution and to take it to the public causing awareness on it becomes a social responsibility of all, and the role of the students would be bound to bear fruits in abundance, reaching the mass at ease and at a quicker pace. With this objective, an awareness rally on saying 'No' to plastics, coupled with saying 'Yes' to helmet was organized by St. Xavier's College of Education, Palayamkottai in collaboration with St. Ignatius College of Education, Palayamkottai and St. John's College of Education, Palayamkottai on Tuesday, the 25th September 2018.

The colourful procession of boys and girls in their uniforms, voicing the slogans in groups in sequence was indeed impressive and public-reaching that turned the public to have a view on knowing with a sense of curiosity on knowing what is it and why the rally, ensuring the fulfilment of conducting the rally. Pamphlets were distributed by the students to the public as the rally was proceeding. A group of students was raising awareness slogans using the Public Addressing system in an Atuo.
