DISCERN WAYS TO STRENGTHEN SCHOOL BASED PRACTICE THROUGH JOINT DISCUSSIONS AND PLANNING

Experience is the child of thought, and thought is the child of action. We cannot learn men from books. Experience is the universal mother of sciences. To provide a systematic teaching practice our college plans and organises an academic meet with senior experienced teachers from our model school (St. Xavier's Higher Secondary School, Palayamkottai). With the pragmatic viewpoint the senior teachers quote all the practical aspects, the student-teachers ought to face during their teaching practices. These discussions help a lot to plan and prepare themselves for innovative and fruitful teaching practices.

MEETING WITH SENIOR TEACHERS

29th October 2015

Human beings interact with one another so that they share certain characteristics, accept expectations and obligations as members of the group, and share a common identity. In order to have an interaction between our model school teachers and the teacher trainees, a meeting was arranged on 29th October 2015. They shared their experiences and promised to support our B.Ed. students in molding them in classroom teaching.
